MISSION

We strive for excellence in health care by dedicating ourselves to the creation of new standards in advanced medical services for the well being of our consumers around the world.

COMPANY PROFILE

UNICURE INDIA LTD

Unicure is promoted by persons of eminence in the field of pharmaceutical industry, having a successful track record of manufacturing a wide range of quality drugs for over past two decades . Since it's incorporation, Unicure has come a long way in producing diverse range of therapeutic formulations crossing many obstacles to become a hub of pharma products manufacturing in India.

Unicure is a renowned name in Indian subcontinent. Set up in the Year 1984 with a plant in Noida. The company has now grown into \$26 mn multinational with 3 plants. Two at Roorkee and one at Noida.

Unicure has a strong presence in Institutional sales which is due to our ability to provide drugs at competitive prices while maintaining stringent quality standards.

Our major purchasers are UN agencies, Govt of India, provincial Govt's besides Indian pharmaceutical major. Our products are registered in CIS, Central America, Indian subcontinent and middle east countries.

Expansion Mode

Unicure has filed for permission to issue shares to Public and get listed on national stock exchange. The proceeds of \$15 mn will be used to set up a plant which will cater to increasing demand in Oncology segment.
